## Featuring

## Dazzling Assets

When commercial property owners are looking for a competitive edge that will attract visitors and customers, many turn to fountains. The sustained value of water displays has proven an effective investment across a spectrum of public-facing settings. Here's a look at some successful examples.

## Oceans of Therapy

While most people are familiar with the pleasure and excitement of time spent in the company of oceans, far fewer are aware that seawater and its constituents have a long history of specific therapeutic benefits, and have led to an entire category of luxurious and healthful spa treatments – with a very fancy name.

## Guarding Mountain Waters

Located in the heart of Tuscany, Italy, the Colossus of the Apennines stands guard over the historic landscape like an ancient sentinel. Not only an imposing sculpture, the massive statue was also a remarkable example of early watershaping innovation.

## Cresting Perfection (classic)

Here we revisit a project from Mark Holden who described progress on a massive estate in Montecito CA, which included a new pool and spa that look as though they might have been built with the home in 1925.
