Featuring

Mythic Beauty

Her name is *Kópakonan*, but to many she is “The Seal Wife,” a mythical figure known as a “selkie.” Immortalized in Nordic legend for centuries, an alluring bronze stature celebrates the rich oceanic folklore of the remote Faroe Islands, and the power of art in a dramatic aquatic setting.

Portland Limestone Cement (an impactful change)

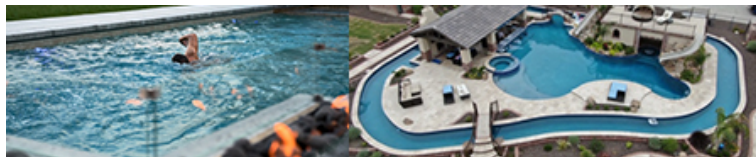

The introduction of Portland Limestone Cement (PLC) is intended to dramatically reduce the carbon footprint of concrete production. That good intention may, however, come with unintended consequences, says plaster expert and educator, Jon Temple.

Mosaics of Experience

What started out as an Italy trip devoted to the pursuit of fine food and wine, Lea and George Frederick, wound up deeply imbibing in the world of mosaic art at a remarkable facility in Vincenza. Here they share a slice of travelogue and images that point to the remarkable possibilities of artistically arranged bits of glass tile.

Fine Points: Equipment Spacing

Setting up equipment areas for efficiency and serviceability stands as one of the top priorities during the planning and construction process, explains Keven Cobabe. Getting it right first means devoting enough space for the equipment set, an important consideration that is often over looked.
