Exploring the Art and Science of Water

April 11, 2024

watershapes.com

Featuring

Lakeside Luxury

Given complete creative carte blanche by a client focused on fun and luxury, Alison Felschow capitalized on the property's setting and sight lines to weave a layered design that brims with interesting details and winding contours—all with one major surprise along the way.

Certifying Growth

There's a big difference between paying lip-service to the importance of education and actively embracing the learning process. For Joe Dempsey, Jr., pursuing continuing education, and certification is a cornerstone of success. It's a professional obligation, he says, and ultimately an opportunity to unlock your full potential.

Fine Points: Equipment Pad Plumbing Layout

Equipment sets that look organized and operate efficiently require a little commonsense and lots of planning ahead, says Kevin Cobabe. By keeping a handful of key factors in mind while working methodically, equipment pads can take on their own brand of practical beauty.

The Playboy Mansion West (Celebrating 25 Years of *WaterShapes*)

In October of 2005, *WaterShapes* published a special feature celebrating the famous Playboy Mansion West, designed by the late Suzanne and Ron Dirsmith at the constant direction of Hugh Hefner. The result was an environment unlike any other, and a pool that would become arguably the world's

most photographed watershape.
