Featuring

Riding the Wellness Wave

As the desire for a healthy lifestyle increases – while at the same time our population ages – the demand for wellness facilities, products and services looks to dramatically expand in coming years. David J. Peterson believes this powerful global macro-trend spells opportunity for watershapers prepared to ride the wellness wave.

Rebirthing a Community Asset

In an era when many public pools have fallen into decay and ceased to exist, the City of Globe, AZ, had a different fate in mind for its community pool. With assists from a top-flight project team, the community undertook an expansive pool renovation project featuring an updated design and functionality.
